### Special Features.

The week has been a big one at H. J. GILLEN's, the sales increasing daily. The truth is, this house has this spring outstripped all previous efforts and all competitors in the character and size of stock, and is reaping the natural rewards in largely increased business.

The special features one feels called on to mention are

The Dress Goods,  
Carpet and  
Boot and Shoe

Departments in which particularly marked increase of stock and reduction in prices may be noted. These lines are offering some really remarkable features and bargains. One cannot say this too forcibly, for it is the fact. All other departments are saving buyers money every day, but the above lines are particularly permanent features of this immediate season. Call and see.

### Amusements.

The attraction at the opera house for next week will be a return engagement of the Stevens Dramatic Co. This company appeared here some three weeks ago and gave some excellent satisfaction to well filled houses. They will present on Monday evening the great sensational drama, "Perils of New York," after which an entire change of repertoire from their last engagement will be produced. The same excellent band and orchestra are with the company, and the low price of admission of 15 and 25 cents will prevail.

A meeting of all of the Fourth of July committees will be held at the court house on Tuesday evening at 7:30. A full attendance is desired.

E. C. ALLEN, President.

### Notice.

There will be a meeting of the Democratic voters of the town of South Ottawa at Burkhardt's shop, south side, Monday, May 14th, '88, at the hour of 2 o'clock p. m., for the purpose of choosing delegates to the county convention.

These goods embrace some of the finest designs ever brought to Ottawa; superb in finish and irreproachable in quality.
